- 7.3 Drivers start individually after distance regulated by start judge. There will not be more than 8 cars in each practice group. Each driver is allowed to complete 3

laps in one session. If a driver has the time and the track is vacant, he may drive for the next time.

- 7.4 Driver must undergo administrative control and scrutineering before entering on free practice.

8. Common regulations for heats, order of start, finish.

- 8.1 The NEZ event can be held together with national event before finals.
- 8.2 The NEZ FINALS must be held separately from national finals.
- 8.3 The Steward may assign introducing lap before start. Introducing lap is not obligatory.
- 8.4 The starting grids for FINALS will consist of not more than 8 cars in three rows divided up into 3-2-3.
- 8.5 In all heats drivers are allowed to choose their starting places, in the starting grids they have been arranged in – the best qualified driver is able to make his choice first; the second best driver is able to choose one of the remaining places in the grid. This possibility of choice will also operate in 2nd and 3rd rows in the finals. The chosen start place may not be changed afterwards.
- 8.6 If a flag, which informs about technical problems (black flag with orange circle), are displayed for driver, he must go to the paddock for repairing of technical problems within one lap time.
- 8.7 If two or more cars stop during a heat, they are classified according to the number of laps covered or, if it is the same, the order in which they last crossed the finish line. The grid positions are decisive if the cars stop during the 1st lap.
- 8.8 If a car stops on a course, driver must immediately leave his car and go to a safe place behind track edges. Returning to the car or any action near the car until the end of the heat is prohibited.
- 8.9 Driver who has not started will be classified the last in the heat. If more than one driver has not started, they are classified according to their starting grid positions.
- 8.10 The start will be given by the red light, which will be flashed, or a flag waved by Clerk of the Course or start Judge. Start procedure will be explained in Drivers briefing.
- 8.11 All competitors participating in the particular heat must be present on the start zone immediately after the start of previous heat, for 1st start of event and for starts after breaks – 10 minutes before the start time. In case of technical interruption Drivers' liaison Officer informs competitors about the time of next start. If a driver is not present at the time he will be given 2 min. If the driver is not present after 2 min. he could be excluded from the heat.

- 8.12 Only drivers who are about to start are allowed to be on the starting grid.
- 8.13 If the driver is not ready for the start in time, the start signal is given without him.
- 8.14 If a driver is unable to start a heat, his place in the start grid will remain empty and cannot be occupied by a driver from another grid.
- 8.15 A false start will be declared if a car leaves its starting place before the start signal. False start is determined by the Clerk of the Course or by a person entitled by him - judge of false start, or by electronic start system.
- 8.16 The culprit driver(s) will be warned and allotted 3-second addition. The starting procedure will be repeated. If a driver makes a second false start in a heat he will be excluded from the heat and classified last, but before the drivers that did not start.
- 8.18 The decision about ignoring the flag signals is made by the Clerk of the Course in accordance with "About applying penalties, lodging protests and appeals in autocross and rallycross" rules.
- 8.19 The end-of-race signal is given by Finish line Judge. After the finish of leading car, all other cars must finish not depending on the number of laps completed.
