1 INTRODUCTION

1.1 GENERAL

The rally will be run in compliance with FIA International Sporting Code, Estonian Open Rally Championship Regulations, Estonian Rally General Prescriptions and these Supplementary Regulations and their Appendices.

Changes to these Supplementary Regulations will be announced to all crews by numbered and dated bulletins issued by the Organiser or the Stewards.

18th RedGrey Team South Estonian Rally 2020 is a national rally. Participation of foreign competitors is authorised by EASU.

The Supplementary Regulations are published in Estonian and English. In case of any dispute about interpretation of these regulations the Estonian text will be binding.

FIA International Sporting Code is published on www.fia.com. The Estonian Rally General Prescriptions, Estonian Open Rally Championship Regulations and Technical Regulations and their Appendices are published on www.autosport.ee.

Due to the complicated situation because of the COVID-19 virus and the restrictions set by the Government of Estonia and the Health Board, the organisers are not assured of running the event as planned. In case of an accident or technical problems at a Special Stage, by pressing the "OK" button a crew informs of stopping for more than 30 seconds and that immediate assistance is not required (even if a crew is trying to continue the rally).

Attention! In case of stopping at SS, the device automatically sends an "SOS" signal to the centre. If no assistance is required, the crew must press the "OK" button within 30 seconds to remove the "SOS" signal sent by the system.

10.12 CAR LIGHTING

On road sections cars are allowed to use only the originally fitted headlamps with E-homologation. Headlamps without homologation must not be used during road sections. Complying with this provision will be checked by judges of fact. Any infringement will be reported to the Stewards.
